Mike has been a full time professional in the income tax preparation industry since January 1970. He worked as manager of district tax preparation operations for H & R Block for 20 years where he trained and managed several hundred tax professionals.

In 1989 he started his own tax and accounting firm, MIKE MARTIN & ASSOCIATES, Inc., as well as a tax seminar for area tax professionals. Both the firm and seminar service have grown substantially since then. The firm now services over 5000 tax clients per year. The seminar services provide training courses in corporate, individual, partnership, estate and trust taxation, as well as annual tax update training.

In addition, Mike is a Registered Representative currently with Woodbury Financial Services, Inc. and operates a tax and financial firm, MIKE TAX & FINANCIAL SERVICES, INC.
